The screenshot shows the sipcall web portal interface. At the top left is the sipcall logo. On the right, it says "Signed in as PortaOne Customer Conference Visitors" with "Logout" and "en" links. A left sidebar contains navigation items: Home (selected), My account, Phone numbers, Options, Security, Finances, and Connection overview. The main content area has a breadcrumb "→ Home" and a large welcome message: "Welcome PortaOne Customer Conference Visitors". Below this is a status bar: "Your customer number: 11289 | Subscribed product: sipcall business". The account details section lists: "PortaOne Customer Conference", "PortaOne Customer Conference Visitors", "Chaltenbodensstrasse 4b", and "8834 Schindellegi". A "Balance overview" table shows the following data:

Balance overview	CHF
Available Funds	-177.56
Credit limit	500.00
Balance	322.44

At the bottom left, the footer text reads "Copyright © 2017 sipcall".

Security – perspective of the provider

Early warning system for abuse detection

Normal phone behavior

Abusive phone behavior

Abusive phone behavior

Excessive cost increase

A photograph of a golfer on a green at sunset. The golfer is in the middle ground, wearing a white shirt and dark trousers, bent over and preparing to putt. A white flag on a pole is in the foreground, partially obscuring the view of the hole. The background shows a golf course with trees and a bright sunset sky. The overall scene is bathed in warm, golden light.

Mit sipcall hosted pbx verschaffen
Sie sich einfacher einen
Vorteil am Markt.
