# Call management

# User states & monitor

The screenshot shows a call management dashboard with a left sidebar and a main grid of call cards. The sidebar includes icons for Dashboard, Contacts, Calls history, Messages, Fax, IVR, and Settings. The main grid displays various call cards, including a 'Your phone' card at the top left, a 'Conference' card below it, and a grid of 12 'Your colleagues' cards. A search bar at the top right allows filtering by 'Name or number'. The interface is annotated with green arrows and text: 'Your phone' points to the top-left card, 'Call in progress' points to the 'Conference' card, and 'Your colleagues' points to the bottom-right card in the grid.

# Call management

# Transfer

The interface is divided into three main sections:

- Left Sidebar:** A vertical navigation menu with icons and labels for Dashboard, Contacts, Calls history, Messages, Fax, IVR, and Settings.
- Top Panel:** A search bar labeled "Name or number" with a magnifying glass icon, and two tabs labeled "Single line" and "Multiline".
- Main Content Area:**
  - Top Card:** A card showing a mobile phone icon, a status indicator, and a dropdown menu for "Mobile phone number (38093682...)" with a selected contact "Dobrovolsky Grigoriy 7000".
  - Conference Call Interface:** A section titled "Conference" with a sub-header "Conference Without password" and a large "Empty" text in the center.
  - Contact List:** A grid of contact cards. Each card displays a profile picture, name, and number. A teal card for "Trukhnii Ivan 7777" is highlighted with a "TRANSFER" button. A green line connects this button to the "0637703715" contact in the top-right card.

# Call management

# Pickup

The screenshot displays a call management interface with a sidebar on the left and a main workspace on the right. The sidebar contains navigation icons for Dashboard, Contacts, Calls history, Messages, Fax, IVR, and Settings. The main workspace is divided into several sections:

- TRANSFER:** A teal header with a hand cursor icon. Below it, a dropdown menu shows "Mobile phone number (38093682...)" and a contact card for "Dobrovolsky Grigoriy" (7000).
- Conference:** A section titled "Conference" with the subtitle "Without password" and a gear icon. The content area is labeled "Empty".
- Call List:** A grid of call cards, each representing a contact with a name, phone number, and status. A green line indicates a transfer action from the "TRANSFER" section to the "Snom D7251 test" card (7004), which shows a pickup timer of "00:44".

At the top right of the main workspace, there is a search bar labeled "Name or number" and buttons for "Single line" and "Multiline".

# Call management

# Hold & Terminate

The screenshot displays a call management interface with a sidebar on the left and a main content area. The sidebar includes icons for Dashboard, Contacts, Calls history, Messages, Fax, IVR, and Settings. The main content area is divided into several sections:

- Softphone enabled:** A green arrow points to a softphone icon in the top left corner of the main area.
- Call Log:** A grid of call records. The first record is for Musienko Vladimir (7000) with a duration of 01:11 and an 'Internal' label. A green arrow points to the 'Terminate' icon (a circle with an 'X') in the bottom right corner of this record.
- Conference:** A section titled 'Conference' with the subtitle 'Without password' and an 'Empty' status.
- On hold:** A green arrow points to the 'On hold' text in the main content area.

At the top right of the main content area, there is a search bar labeled 'Name or number' and two tabs: 'Single line' and 'Multiline'.

Send and forget

The image shows a web application interface for managing faxes. A modal window titled "Send new fax" is open in the center. The modal contains the following fields and options:

- Sender:** A dropdown menu.
- To:** A text input field.
- Subject:** A text input field containing the word "Contract".
- Files:** A list of attached files: "Contact list.txt" (1.16 kB) and "ferms.pdf" (0.14 MB). Below the list is an "Add files" button.
- Delete fax after sending:** A toggle switch, currently turned off.
- Schedule sending:** A toggle switch, currently turned off.
- Coverpage:** A dropdown menu set to "Default".
- Message:** A text area containing the text "As you requested".

At the bottom of the modal are "Cancel" and "Send" buttons. The background interface shows a "Fax" section with "Received (39)" and "Sent (0)" counts. A list of received faxes is visible, each with a phone number (0173053372) and a "Preview" button. A "Send new fax" button is located in the top right corner of the background interface.

# Voice menu

# Drag & drop

The screenshot displays a configuration interface for a voice menu. At the top, a dark blue header contains the number '7011' on the left and 'Cancel' and 'Save' buttons on the right. A vertical sidebar on the left lists various menu options: Dashboard, Contacts, Calls history, Messages, Fax, IVR, and Settings. The main workspace is light blue and shows an 'Incoming call' event with the phone number '33173053363'. Below this event is a blue dashed box labeled 'Drop action here'. A 'Play message' action card is being dragged from the left sidebar into this box. A red arrow points from the text 'Drag & drop actions' to the 'Drop action here' box. At the bottom of the sidebar, there is a zoom control showing '100%'.
