Long eyelash prevent sand to hurt eye and provide shadow

Long legs to stay away from burning sand

Can survive with no water for weeks

Wide pad feet not to sink on sand

All fat on one place and far from hot sand improves body cooling

Carrier-Grade IP Phones: GRP2600 Series

Advanced User Efficiency, Powerful Telephony Features, Single Firmware Version

Our carrier-grade line of IP phones delivers a wide range of powerful devices that come equipped with advanced call features that focus on user productivity and efficiency. They were made with ITSP and SP mass-deployments in mind.
