Looking toward the future

Andriy Zhylenko

CTO

Where we are now

- Outstanding engineering team
- Agile development
- Crowdsourcing of ideas
- Excellent customers
- Powerful and flexible platform

What We Are Doing Right Now

Stability, ease-of-use, seamless upgrades

Cloud: scalability, HA and reduced costs

Mobile network integration

Next Steps

Focus on what we do well

Maintain product evolution

Look for new opportunities

Areas to Complement VoIP Service

Internet of things / SDN

Wireless / MVNO

Smart Metering

Something totally new?

6G Teleportation Service Use-Case

The [hypothetical] perfect storm:

- **You**
  - Identify the opportunity
  - Locate the partners
  - Design products & marketing strategy
  - Sell
- **PortaOne**
  - Identify the technology
  - Create the integration
  - Assist with the configuration
  - Support

Summary

PORTA ONE

Cloud

MVNO/MVNE

Thank you!
Now it’s party time!
