Phonect's Web-based Switchboard

PortaOne Customer Conference
Chernihiv June 2nd, 2018

Working at Phonect, mention 10 things you think of when "Phonect" is mentioned:

Phonect would like to present

- Our web-based switchboard
- Our mobile app

...and then demonstrate both of them

But first...

Phonect in a few sentences

- Located in Oslo, Norway
- Focus on B2B
- PortaOne customer since 2004
- MVNE of Telenor since 2017
- Now developing mobile centrex features utilizing PortaSwitch as a TAS
- Using Google Cloud Firebase and Firestore as platform for advanced mobile services

... and available for questions later:

- Torbjørn Hulbak (CEO)
- Alexander Kenich (Development manager)
- Kenneth Reistad (Product Manager)
- Odd Trondrud (Developer)
- Ervin Wittner (Senior System Architect)
